COMMUNITY SERVICES, PROGRAMS & EVENTS
(Economic Development, Library, and Parks & Recreation)

Community services, programs, events, and amenities seek to provide an environment that fosters a sense of community, pride of place, and belonging. While Town staff works across departments to support these efforts, they are, in large part, driven through Economic Development, Library, and Parks & Recreation. Join leadership from these departments to learn more about what we do; how you can connect, assist, and shape these efforts; and provide your thoughts about the community services the Town provides now or you would like to see in the future.
